PRODUCT DETAILS

The carbon collection presents a whole new array of color options on our most innovative Flexfit Delta® cap. It's fortified with carbon fiber-like grid for stretchability and durability while featuring the same revolutionary no-seam construction and stain-block technology. Match it with any style and performance with its groundbreaking technology and sleek, polished look.

- Lighter, sleeker, smarter cap for performance
- Hard buckram. Structured
- Closed back. Stretch fitted
- Black undervisor, 1-row stitching on visor

TECHNOLOGY

1. The logo for Flexfit Tech, featuring the words "FLEXFIT" and "TECH" in a stylized, orange, circuit-like font.
2. The logo for PermaCurv, showing a blue wave-like shape with the word "PERMACURV" in black text below it.
3. The logo for Water Repellent, featuring a blue circular background with a white water droplet and the words "WATER" and "REPELLENT" in white text.
4. The logo for Stain Block Tech, showing a blue circular background with a white stain and the words "STAIN" and "BLOCK TECH" in white text.
